| | per doz. | 100 |
|--|----------|------|
| ACHILLEA <i>Boule de Neige</i> (<i>Ball of Snow</i>)—An improvement on the Pearl. Wonderful for cut flowers or garden. | .75 | 5.00 |
| ALYSSUM <i>Saxatile Compactum</i> —An indispensable plant for the rockery or border, growing 1 foot high and producing in May masses of broad, flat heads of bright yellow flowers. | .75 | 4.00 |
| ANCHUSA , <i>Italica Opal</i> —A tall growing, beautiful for-get-me-not, light blue, extra fine. | 1.00 | 7.00 |
| ANEMONE <i>Japonica</i> (<i>Wood Flower</i>)—A most valuable class of hardy plants. Alba—Purest white with yellow center. | .85 | 7.00 |
| <i>Queen Charlotte</i> —Flowers semi-double, broad and perfectly formed of that pleasing shade of pink found in <i>La France Rose</i> . | .85 | 7.00 |
| ANTHEMIS <i>Tinctoria</i> (<i>Marguerite</i>)—Show two color yellow daisy-like flower. | .75 | 5.00 |
| AQUILEGIAS or COLUMBINES —The Columbines are one of the most elegant and beautiful of hardy plants, and usually make themselves at home in any hardy border. Their period of flowering covers the late spring and early summer months. Taken as a whole, they are a most important part of the hardy garden, and should be grown in quantity by every lover of old-fashioned garden flowers. | | |
| <i>Canadensis</i> (<i>Common American Columbine</i>)—The native bright red and yellow variety. | .75 | 5.00 |
| <i>Chrysantha</i> —White long-spurred flowers. | .75 | 5.00 |
| <i>Chrysantha</i> —Yellow long-spurred flowers. | .75 | 5.00 |
| <i>Helena</i> <i>Hybrids</i> —Mostly blue shades. | .75 | 5.00 |
| <i>Long-spurred Hybrids</i> —A magnificent strain in many beautiful shades. | .75 | 5.00 |
| <i>Skinneri</i> (<i>Mexican Columbine</i>)—Yellow with long orange-red spurs. | .75 | 5.00 |
| ASTERS , Hardy, Fall-flowering (<i>Michaelmas Daisies</i>)—These are among the showiest of our late-flowering hardy plants, giving a wealth of bloom during September and October. | | |
| NEW HARDY ASTER CLIMAX —A wonderful new flowered light blue hardy Aster. Without question the most showy of all. These plants will give perfect satisfaction the first year. | 1.00 | 8.00 |
| <i>Novae Angliae</i> —Bright purple. 4 ft. | .75 | 5.00 |
| " " Pink. A tall growing fine rose pink. | .75 | 5.00 |
| <i>Ptarmicoides Major</i> —White, fine for cutting. Very dwarf. | .75 | 5.00 |
| <i>St. Edgwin</i> —A recent introduction, and one of the finest. Plants are densely branched, covered with beautiful pink flowers; 3 feet; September. | 1.00 | 7.00 |
| <i>Tartaricus</i> —Distinct. Tall. Lilac purple. | .85 | 6.00 |
| BAPTISIA <i>Australis</i> (<i>False Indigo</i>)—A strong growing plant, about 2 feet high; suitable either for the border or wild garden, with dark green, deeply cut foliage and spikes of dark blue, lupine-like flowers. | .85 | 6.00 |

| | per doz. | 100 | | per doz. | 100 |
|--|----------|-------|--|----------|------|
| BOCCONIA Cordata (<i>Plume Poppy</i> or <i>Tree Celandine</i>)—A noble hardy perennial, beautiful in foliage and flower, and admirably adapted for planting in the shrubby borders, center of beds, and in bold groups in almost any position. It will grow in any soil or situation, attaining from 6 to 8 feet in height; flowers in terminal panicles, of a creamy-white color, during July and August. | .85 | 6.00 | White. | .75 | 5.00 |
| BOLTONIA, Asteroides —Among the showiest hardy perennial plants, with large single Aster-like flowers. The plant is in bloom during the summer and autumn months with its thousands of flowers open at one time producing a very striking effect. Pure white, very effective, 5 to 7 feet. | .75 | 4.00 | Persicifolia (<i>Peach Bell</i>)—Open; blue, bell-shaped flowers; June and July. Two feet. | .85 | 6.00 |
| Latisquama —Lavender pink, 4 to 5 ft. | .75 | 5.00 | Pyramidalis (<i>Chimney Bell-flower</i>) The most conspicuous of all Campanulas, forming a perfect pyramid 4 to 6 feet high, crowded with large salver-like white flowers. By dozen only. | 1.00 | |
| BUDDLEIA —Stems terminating in large spikes of lilac-purple flowers. The plant is a mass of bloom from June until frost; fine for cutting. | | | CHELONE Lyonii (<i>Shell Flower</i>)—Heads of showy deep rosy red flowers. Stately and handsome perennials, growing about 2 feet high and bearing numerous spikes of large flower-heads during the summer and fall. | 1.00 | 7.00 |
| Superba —Perhaps the finest of all the Summer Lilacs. It has erect arching shoots 5 to 6 feet tall, and immense tails of rich dark heliotrope flowers. | 1.75 | 12.00 | CHRYSANTHEMUMS LARGE FLOWERED HARDY OLD-FASHIONED (Clumps) —The fragrant old-fashioned kind that you have seen along side the farm house and in the old-fashioned garden. | | |
| Veitchiana (<i>Butterfly Bush</i> or <i>Summer Lilac</i>)—One of the most desirable summer flowering shrub-like plants, beginning to bloom in July. The flowers are of a pleasing shade of velvet mauve, and are borne in dense cylindrical spikes, which, under liberal cultivation, are from 12 to 15 inches in length by 3 inches in diameter; it succeeds everywhere and flowers freely the first season planted, and is always admired. 3 to 4 feet. | 1.50 | 10.00 | Autumn Glow —Rose Crimson. | 1.00 | 7.00 |
| WULA Calycanthema (<i>Cup and Saucer Canterbury Bells</i>)—This is unquestionably the finest type of this old-fashioned and much-prized plant. They differ from the ordinary type in having an extra large calyx, which is of the same color as the flower, giving the appearance of a cup and saucer. They are effective either in the garden or grown in pots for conservatory or table decoration. Pink, white and blue. | .85 | 7.00 | Comoleta —New. Large yellow. | 1.00 | 7.00 |
| Carpatica (<i>Carpathian Hare bell</i>)—A pretty compact species, not exceeding eight inches high, flowers clear blue. | .75 | 5.00 | Golden Queen —Yellow. | 1.00 | 7.00 |
| | | | Indian —Indian red. | 1.00 | 7.00 |
| | | | Old Homestead —Pink. | 1.00 | 7.00 |
| | | | Victory —White. | 1.00 | 7.00 |
| | | | HARDY POMPONE CHRYSANTHEMUM | | |
| | | | Excelsior —Fine deep yellow. | 1.00 | 7.00 |
| | | | Golden Climax —Golden-yellow buttn. | 1.00 | 7.00 |
| | | | Skibo —Bronze. | 1.00 | 7.00 |
| | | | COREOPSIS Grandiflora —Good shades of yellow that are desirable for cut flowers, and that make a grand display in the garden, are scarce. In this we have perfection in both. Flowers as large as Cosmos, a most beautiful yellow, with good long stems. Every one that likes yellow will find this grand for cutting. Blooms in June and July. | .60 | 4.00 |
| | | | Lanceolata —A beautiful hardy border plant, grows 15 to 18 inches high and produces its bright golden yellow flowers in great profusion. Best for hardy border. By cutting off old flowers will bloom until fall. | .60 | 4.00 |
| | | | DELPHINIUM (<i>Perennial Larkspur</i>) Indispensable to the herbaceous garden. Their long, showy spikes of flowers persist from June till frost and furnish the most satisfactory blues to any color scheme. | | |
| | | | Belladonna —The most continuous blooming of all, never being out of bloom from the end of June until cut down by hard frost. The clear | | |

|---|----------|-------|--|----------|------|
| der plants and beautiful as cut flowers in July and August. | 1.00 | 7.00 | | | |
| HEMEROCALLIS (<i>Yellow Day Lily</i>) | | | | | |
| Belonging to the Lily family. They succeed everywhere, and should always be included in the border of old-fashioned hardy plants. | | | | | |
| Aurantiaca —Large beautiful bright apricot-yellow. | .85 | 6.00 | | | |
| Dumortieri —Dwarf and compact. It grows about 2 ft. high. Has orange colored flowers. May. | .75 | 5.00 | | | |
| Flava (<i>Lemon Lily</i>)—Crowned by beautiful lemon colored flowers 3 to 4 inches in diameter and delightfully fragrant. May and June. | .60 | 4.00 | | | |
| Luteola —A cross between Aurantiaca major and Thunbergii. Fine orange yellow; large and very free flowering. 2½ ft. | 1.00 | 8.00 | | | |
| Middendorfiانا —Dwarf growing with clusters of lily flowers five to six inches long; bright yellow. | .85 | 6.00 | | | |
| Thunbergii —Lemon yellow the latest blooming of all Lemon lilies. September and October. | .75 | 4.00 | | | |
| HEPATICA (<i>Liver Leaf</i>) | | | | | |
| Triloba —A pretty native April flowering plant, with pretty blue flowers. | .75 | 5.00 | | | |
| HEUCHERA Brizoides (<i>Coral Bells</i>) | | | | | |
| Coral pink, extra fine. | 1.00 | 7.00 | | | |
| HIBISCUS MALLOW MARVEL —Without exception the finest production in the Hardy Plant line in years. They make a bush-like growth from 5 to 6 feet high and 3 to 4 feet across. The flowers are of an enormous size, frequently 8 to 10 in. in diameter ranging in color from fiery crimson through various shades of red, pink and white. Should be in every garden as it is perfectly hardy, will thrive in any locality or kind of soil, and blooms continually from July until late fall. | | | | | |
| Pink Mallow Marvels —2 yrs. | 1.50 | 10.00 | | | |
| Red Mallow Marvels —2 yrs. | 1.50 | 10.00 | | | |
| White Mallow Marvels —2 yrs. | 1.50 | 10.00 | | | |
| Pink Mallow Marvels —3 yrs. | 2.00 | 15.00 | | | |
| HOLLYHOCKS Single —One of the most stately, picturesque and beautiful plants in the world. Nothing can be more effective than a large group or mass of single Hollyhocks, and once planted they will literally take care of themselves. Extra fine assortment, mixed. 2 yr. | .85 | 5.00 | | | |
| IBERIS Sempervirens (<i>Hardy Candytuft</i>) | | | | | |
| | | | Handsome evergreen foliage, completely hidden, in April and May with heads of white flowers. | 1.25 | 8.00 |
| | | | NEW VARIETIES OF IRIS—Fleur-de-Lis | | |
| | | | Alcazar —Upright curling petals are violet with bronze sheen; falls are rich crimson with lighter veins. Striking. | 3.00 | |
| | | | Candelabra —Upright petals mauve and purple; falls violet with white and black veins. | 1.50 | |
| | | | Dorothea —Early dwarf flower of exceptional merit. Upright petals mauve, deeper in center; falls soft blue with orange veinings. Very fine. | 1.50 | |
| | | | Isolene —Upright petals lilac pink; falls purplish old rose, with golden throat and yellow beard. Very handsome. | 3.00 | |
| | | | Jeanne d'Arc —Flowers large, sepals broad, of fresh clear lilac. Falls pure white, bordered lilac. | 1.50 | |
| | | | Loute —Upright petals light blue and heliotrope; falls, reddish purple and bronze. Striking color. | 3.00 | |
| | | | Nuec D'Orange —Standard's slaty grey. Falls bronze and purple. Very large flower. | 1.50 | |
| | | | Tamerlane —Upright petals pale violet; falls deep purple. Magnificent. Tall. | 1.50 | |
| | | | IRIS, Orchid-flowered, Fleur de Lis | | |
| | | | Bloom in May and June. | | |
| | | | Aurea —A pleasing shade of yellow. By dozen only. | 1.00 | |
| | | | Florentina Alba —Very early large white. | .75 | 4.00 |
| | | | Her Majesty —Rose crimson. | .75 | 4.00 |
| | | | Ivory —Very large, extra early, white. | 1.00 | |
| | | | Lohengrin —Lilac rose, very large. | 1.00 | 7.00 |
| | | | Mad. Chereau —White, blue margin, very fine. | .60 | 3.00 |
| | | | Mad. Paquette —Deep claret red, nearest solid red. | .75 | 4.00 |
| | | | Mrs. H. Darwin —Pure white, falls slightly reticulated violet at the base, very beautiful and very free flowering, 2 feet. Late. | .75 | 4.00 |
| | | | Mrs. Neubronner —Very deep golden yellow, darker than Aurea; very fine. By dozen only. | 1.50 | |
| | | | Monseigneur (<i>Monsignor</i>)—Velvety purple-crimson, with lighter margin; large flower. By dozen only. | 3.00 | |
| | | | Parisensis —Large, showy, deep purple. | .75 | 4.00 |
| | | | Princess Victoria Louise —Sulphur-yellow, falls rich plum, edged cream. | 1.00 | 7.00 |
| | | | Trautlieb —The nearest pink Iris, color pink shading to white at base. | .75 | 5.00 |
| | | | Queen Emma —Queen of White Iris. By | | |

| | per doz. | 100 |
|--|----------|-------|
| dozen only. | 1.00 | |
| Queen of May —Lavender pink. | .75 | 4.00 |
| Victorine —White, all flaked and splash- ed with royal purple, extra choice. By dozen only. | 1.50 | |
| IRIS, Oriental and Siberian —The flowers resembling the Spanish and English Iris. These make a bright show in the garden and are also excellent for cutting, these can be cut when in bud and will fully develop in water, blooming from latter part of May until end of June. | | |
| Blue King —Clear blue. Found by Mr. Peter Barr in Japan. | .85 | 5.00 |
| Sanguinea —Intensely brilliant blue flowers, the bud being inclosed in conspicuous crimson spathe valves. | .75 | 4.00 |
| Snow Queen —An exquisite hardy Iris; flowers of a snowy whiteness, large and well-formed, produced in great abundance, foliage light and grace- ful. A gem for flower border or waterside, 2 to 3 feet high. Award of Merit. | .85 | 5.00 |
| Superba —Large, violet-blue, handsome foliage reaching almost to the flow- ers. 2 to 3 feet. | .85 | 5.00 |
| Iris Siberica —Purplish blue, 3 feet high very desirable. June. | .60 | 3.00 |
| Iris Siberica Alba —Fine white. June. | .75 | 4.00 |
| JAPANESE IRIS —These names and num- bers of the following are as import- ed by me direct from Japan and are now growing in my nurseries. | | |
| No. 5 Shigano Uranami —Double. Ex- tra large lavender, lightly veined white. Early. | 1.50 | 10.00 |
| No. 30 Kakino Iro —Double. Violet purple with golden throat. | .85 | 6.00 |
| No. 9 Warai Hotei —Double. Extra late. Lovely dark blue gray. | 2.00 | 20.00 |
| No. 8 Idzumi Gawa —Double. Gray shaded and veined blue. | 1.50 | 10.00 |
| No. 7 Kurokumo —Double. Deep blue. Extra choice. | 2.00 | 20.00 |
| No. 11 Furomon —Double. Early. White bordered and laced pink. | 1.50 | 10.00 |
| No. 24 Geisho —Double. Royal purple shaded crimson. High built flower. Very late. | 2.00 | 20.00 |
| Order by name or number. | | |
| IRIS Japan —The flowers are of immense size, from 6 to 8 inches in diameter. June and July. | | |
| Purple and Gold —Double, deep bluish purple, yellow band, center each petal. | .85 | 6.00 |
| Mixed. | .75 | 5.00 |

| | per doz. | 100 |
|--|----------|------|
| LATHYRUS Latifolius (Perennial Pea) | | |
| Red. | .85 | 6.00 |
| White Pearl —Pure white. Produced throughout the entire summer and early fall. | 1.50 | |
| LIATRIS Pycnostachya (Blazing Star or Gay Feather) —Most showy and at- tractive plant, producing large spikes of light rosy-purple flowers from July to September. | .60 | 4.00 |
| Scariosa —Late blooming branched spikes purple, 3 to 4 feet. | .85 | 6.00 |
| LILY Henryi (Yellow Speciosum) —One of the finest hardy lilies, of strong, vigorous growth, with flower stalks 3 to 5 feet long; deep apricot yel- low, lightly spotted brown. By dozen only. | 3.00 | |
| LINUM Perenne —Foliage is fine and graceful, with flowers shaped like those of Phlox. Bloom all summer. Clear delicate blue. | .75 | 4.00 |
| LYCHNIS Chalcedonica —A most desira- ble plant, heads of brilliant orange- scarlet, grows 2 to 3 feet high and blooms all summer. | .75 | 4.00 |
| LYSIMACHIA Nummularia (Creeping Jenny, or Moneywort) —Valuable for planting under trees or shrubs where grass will not grow, where it quickly forms a dense carpet. | .75 | 5.00 |
| MONARDA, Cambridge Scarlet (Berga- mot) —Brilliant crimson scarlet. Showy plants, growing from 2 to 3 feet high, succeeding in any soil or position, with aromatic foliage, and producing their bright flowers dur- ing July and August. | .75 | 4.00 |
| PACHYSANDRA Terminalis —A trailing plant, 6 to 8 inches high, forming broad mats of bright, glossy green, foliage and small spikes of flowers during May and June; invaluable as a cover plant either in sun or shade. | .85 | 6.00 |

PEONIES

Plant Large Clumps

**YOU DON'T HAVE TO WAIT TO GROW
SMALL PLANTS INTO LARGE CLUMPS**

**THREE YEARS OLD
UNDIVIDED CLUMPS**

Every One a High Class Peonie

| | | |
|--|------|-----|
| Delicatissima —Soft pink changing to flesh; very delicate coloring; early. | each | .75 |
| Dorchester —Beautiful shell pink. Free bloomer, fine cutting and garden | | |

| | each | | each |
|--|------|--|--------------|
| sort, late. | .75 | Lamartine —Rose type; mid-season. Grand, large flowers with broad imbricated petals of great durability; color rosy-carmine; a very attractive and striking Peony. The flowers are of gigantic size. | 1.50 |
| Duchess de Nemours —Large, creamy white, especially fine. The leading white Peony for cut flowers bearing nearly twice as many flowers as any white in cultivation. Also valuable garden variety. | .50 | Madame Emily Galle —Rose type; late mid-season. Large, double, cup-shaped, imbricated flowers; color delicate sea shell-pink with touches of heliotrope and lavender. This is probably the most ethereally beautiful of all Peonies; inexpressibly grand. | 1.50 |
| Felix Crousse —Large, ball-shaped bloom; very brilliant red; one of the finest self-colored varieties. | .75 | Marguerite Gerard (Crousse) —Fine large delicate pink flat flower. One of the best. | 1.00 |
| Festivea Maxima —Very large, clear white-tipped with streaks of red. | .50 | Officinalis —Pink. | .75 |
| L'Indispensable —Very large full flower of shell-pink. The petals are packed very tightly, sometimes occasioning a bursting bud. | .75 | Venus (Kelway) —This wonderful variety displays an entirely new color for peonies. The flower is high and compact crowned; a delicate pink laid over creamy white with the entire bloom suffused with a light apricot. Without exception, the finest mid-season peony—a prize winner. | 1.00 |
| Mathilde de Roseneck —Rose type; late. Soft flesh-pink, shading deeper toward the center with tints of lilac and chamois; petals bordered with silver and occasional narrow edgings of bright carmine. Tall grower, beautiful and distinct. | 1.00 | | per doz. 100 |
| Meissonier —Deep dark rich red, known as the American Beauty Peony; extra fine. | .50 | PINKS —Without the spicy fragrance of the hardy pinks a garden is incomplete. | |
| Mons Jules Elie —The peerless pure pink. One of the largest, handsomest and most lasting cutting sorts in existence. Proven by commercial competition, the finest exhibition peony. | 1.50 | Plumarius —Single Hardy Scotch. One of the quaint, old-fashioned, fringed flowers; the kind that appeals to everyone by its delightful Scotch pink fragrance. This strain is made up of the finest sorts in cultivation; the flowers being unusually large and range in color from white to delicate pink and rich crimson, with rose and maroon centers. Double. | .75 5.00 |
| Octavie Demay —Very large, flat crown. Guards and center pale hydrangea-pink, collar almost white. Fragrant. Very dwarf habit, free bloomer. | 1.50 | White Reserve —An everblooming pure white. | .85 6.00 |
| Officinalis Rubra flora plena —Bright crimson. Earliest. | .60 | Old-fashioned Double Pink. | .75 5.00 |
| Richardson's Rubra Superba —Very late. Magnificent, rich brilliant, deep crimson, without stamens, very large, full and double; highly fragrant, and the best keeper of whole family. It is decidedly the best late. Absolutely indispensable in any fine collection. | 1.50 | | |
| Souvenir de Chas. Gombault —Glorified Jeanne d'Arc. | 1.50 | | |
| Virginie —Large, beautiful, water-lily pink. A magnificent bedder; foliage concealed by bloom; loose, globular heads open out to Anemone shape, 8 inches across. From bright rose to blush white, with thick collar and center of deepest yellow. | .75 | | |
| The following are 2 yr. old clumps: | | | |
| Albert Crousse —Immense, very full blooms of light salmon pink; a valuable and distinct variety. Late. | 1.50 | | |
| | | PHLOX | |
| | | STRONG FIELD GROWN | |
| | | Athis —Salmon. | .75 5.00 |
| | | Bridesmaid —Blush red eye. | .75 5.00 |
| | | Peach Blossom —Peach blossom pink. | .75 5.00 |
| | | F. G Von Lassburg —The best early white. | .75 5.00 |
| | | EARLY FLOWERING HARDY PHLOX | |
| | | Miss Lingard —Longest spikes of any Phlox. Blooms from the ground up. Waxy white, lavender eye. | .75 5.00 |
| | | PHLOX —Creeping; very early. | |
| | | Subulata Alba (White Moss Pink) —In | |

| | per doz. | 100 | | per doz. | 100 |
|---|----------|------|---|----------|------|
| April and May presenting an unbroken mass of bloom like a drift of snow. | .75 | 5.00 | Mt. species, growing 2 to 3 ft. high producing during August and September pretty sky-blue flowers in the greatest profusion. | .75 | 5.00 |
| Subulata —Pink. | .75 | 5.00 | Pitcherii —Similar to the above but of more branching habit and larger flowers of a deep blue color. Very beautiful in September and October. | 1.00 | 7.00 |
| PHYSOSTEGIA Virginica —American Heather, lavender-pink. | .85 | 6.00 | SEDUM Brilliant | | |
| PLATYCODON Grandiflorum —Chinese Bell flower. June to September. Blue. | .75 | 4.00 | A sport from the variety <i>atropurpurea</i> , and by far the richest colored yet produced, being a bright shade of amaranth-red or dark crimson. September and October. | .85 | 6.00 |
| Alba —White bell flower. | .75 | 4.00 | Sieboldii —3 to 4 inches. August to September. Flowers bright pink. Rare and choice. | .85 | 6.00 |
| POLYGONUM Multiflorum Compactum | | | Spectabilis —One of the prettiest erect growing species, attaining a height of 18 inches, with broad light green foliage and immense heads of handsome showy rose colored flowers; indispensable as a late fall-blooming plant. | .75 | 5.00 |
| Grows about 15 inches high, and during August and September the entire plant appears as a foamy mass of white flowers. | .75 | 5.00 | Spurium —Attractive pink flowers; 6 inches. Dwarf. | .75 | 4.00 |
| HARDY POPPIES —Among the most welcome flowers that glorify the early spring and summer, are the big, glowing, nodding Poppies. | | | Spurium —Attractive white flowers. | .75 | 4.00 |
| Mrs. Perry —An attractive shade of coral pink. | 1.00 | 7.00 | SHASTA DAISIES —Large flowered improved hybrids. | .75 | 5.00 |
| PYRETHRUM Hybridum (Painted Daisies) —Red, white and pink, mixed, blooms in June and July, a most beautiful, hardy plant. | .75 | 5.00 | SOLIDAGO (Golden Rod) Golden Wings | | |
| Stellata —It is a greatly improved form of the Giant Daisy, and has flowers of glistening white, very large, with long, narrow petals, forming a graceful and refined flower. The best and most useful Daisy for cutting during August and September. By dozen only. | 1.00 | | The finest of all; 5 feet high with immense panicles of bright golden-yellow flowers from July to September. By dozen only. | 1.00 | |
| RUDBECKIA —Indispensable plants for the hardy border; grow and thrive anywhere, giving a wealth of bloom, which are well suited for cutting. | | | STATICE Latifolia (Sea Lavender) | | |
| Golden Glow —We question if any one hardy perennial plant has ever met greater popularity than this. It is a strong robust grower, attaining a height of 5 to 6 feet and produces masses of double golden yellow Cactus Dahlia-like flowers from July to September. | .60 | 4.00 | Grows 15 to 18 inches high with tufts or clumps of thick, leathery foliage and immense panicles of delicate blue flowers. Individual flowers very minute, similar in form to the Forget-me-not, but made into heads 18 inches or more across. | .85 | 7.00 |
| Purpurea (Purple Cone-flower) —Large drooping petals colored reddish purple, with a remarkable large cone-shaped center of brown, thickly set with golden tips in spiral lines. 2 to 3 feet. | .85 | | STOKESIA Cyanea (The Cornflower or Stoke's Aster) —A most charming and beautiful plant. Grows from 18 to 24 inches high, bearing freely from early in July until October its handsome Cornflower-like blossoms which measure from 4 to 5 inches across. Lavender blue. | .75 | 4.00 |
| Sub-Tomentosa —A pyramidal, densely branched plant, two and one-half feet high, which is completely enveloped throughout the summer in a mass of brilliant lemon-yellow flowers with dark purple center. | .85 | 6.00 | Cyanea Alba —White. | .75 | 4.00 |
| SALVIA Azurea Grandiflora —A Rocky | | | SWEET WILLIAM —Improved, large-flowered, mixed. | .60 | 4.00 |
| | | | Newport —Pink. | .75 | 5.00 |
| | | | TRILLIUM Grandiflorum (Wood Lily or Wake Robin) —Excellent plants for shady positions in the hardy border, or in a subaquatic position, flower- | | |

| | per doz. | 100 | | per doz. | 100 |
|--|----------|-------|--|----------|------|
| ing in early May; large white; the handsomest of all. | .60 | 4.00 | DELPHINIUM Chinensis Blue —A very pretty dwarf variety with fine, feathery foliage and intense gentian-blue flowers in open panicles. | .75 | 5.00 |
| VERONICA Amethystina (<i>Speedwell</i>)—Amethyst blue flowers in May and June. | .75 | 5.00 | DIGITALIS Grandiflora | .85 | 6.00 |
| Incana —Bright silvery foliage, with spikes of amethyst-blue flowers. July and August; 1 foot. | .75 | 5.00 | EUONYMUS Kewensis | 1.00 | 7.00 |
| VINCA Minor —(<i>Periwinkle</i> or <i>Trailing Myrtle</i>)—An excellent dwarf evergreen trailing plant that is used extensively for carpeting the ground undershrubs and trees, or on graves where it is too shady for other plants to thrive. | .75 | 5.00 | GEUM Mrs Bradshaw | .85 | 6.00 |
| VIOLET Princess of Wales —Hardy, large single violet-blue flowers, long stems, grand for cutting. | .85 | 6.00 | HYPERICUM Moserianum | .75 | 5.00 |
| YUCCA Filamentosa (<i>Adams's Needle</i>)—A hardy evergreen plant with long narrow leaves that are bright green the whole year. | | | | Elaitor—Hardy | .85 | 6.00 |
| | | | VIOLET Princess of Wales | .75 | 5.00 |

The following are well established plants in 2½ in. pots and will give good results.

SEEDS—SPECIAL STRAINS

About four years ago a good friend of mine told me that Mrs. Scott Elliott Columbine was a good thing. I procured seeds of it and it was all he said for it and more. Its wonderful array of beautiful blending colors, and with long attractive spurs, and long blooming season makes it a real novelty cut flower. And it is one of the inviting flowers for you to grow. per ounce \$5.00

DELPHINIUM Belladonna is a good friend of mine I have paid a good deal of personal attention to it. When you grow stock from this selected strain I believe it will look mighty attractive to you. If you are not acquainted with this beautiful flower let me introduce it to you through my seed. \$35.00 per lb.; \$17.50 per ½ lb.; \$8.75 per ¼ lb. and \$2.25 per oz.

Unsolicited Testimonial

This man, a stranger to me, whom I afterwards learned was a prominent nurseryman from Wisconsin, came to my place in June, 1917. I took him over my place and we both enjoyed the visit and before he left placed an order with me. This was mostly for large individual clumps of Peonies. Well along in September I sent him the Peonies and other plants he ordered, and of course I was getting pretty busy about that time and as the shipping season was advancing was naturally getting busier, and a fellow has a lot to think about to have things work along smoothly at that time of the year. Well we get some mail most every day in the year, but it makes a fellow feel good to open a letter like this one, which is from this man in Wisconsin. He writes as follows:

Enclosed find check for \$127.75 payment of invoice of September 25, 1917. Mr. Kohankie, I wish to thank you for the service rendered. Your grounds were the best kept of any I was through this year and the plants received were the finest I ever received from any nursery in my 24 years in the business. Will call again next June if all is well.

I know you think it is perfectly all right to feel good about a letter like that, of course you don't know

but there was a lot of things had my attention and thought before next Peonie time came around again. The best part of this is coming yet. My Block of Peonies about Eight Acres all together, just Peonies. Well I am right at home when these are in bloom, Oh I like them! I am just as particular about them as a fellow can be and now I am going to prove it to you. Not saying a word to me in advance about it this gentleman surprised me in June, 1918. He came back to see my Peonies and place again and of course I was glad to have him come and enjoyed his stay here. Now this was his second trip and he gives me his second order and after he receives it this is what he says:

Enclosed find check No. 1834 for \$322.50 payment in full of enclosed invoice. I have been in hopes of visiting you sometime this fall, but could not make it, the Peonies etc. received were of the finest, and I wish to thank you for the courtesy you have extended to me both while at your Nursery and the care taken to give such fine stock. I hope to be able to see you next June and will need more next year.

Peonie time is a great time. If you want to enjoy it, see my Peonies in June, it will be worth more than the time and expense. Come!
